

DD/R-968-63

16 July 1963

MEMORANDUM FOR: Executive Assistant to the Deputy Director

SUBJECT: Integration of Employee Information
Influencing Personnel Actions

REFERENCE: Your Memorandum, 10 July 1963, ER-63-5382/2

1. The DD/R concurs in the proposed Notice and anticipates no difficulty in its implementation within the latitude provided.

2. As far as I can determine at this time there is very little if any information available within internal DD/R files on the staff employees that would not be available in other appropriate Agency files. Only within the context of security classifications would I foresee any likelihood for such files at all. Even in such cases an alert could be furnished the Director of Personnel on a need-to-know basis as provided in the proposal.
